

Because... We Want You To Look Your Best

We hire a professional photographer to take pictures and we take the time to help you stage your home. We will provide suggestions on how to get your home ready for pictures and showings. Our team may suggest anything from cleaning and decluttering to moving a piece of furniture. Below is an example of the pictures taken by your standard realtor and the pictures taken by our professional team. This is the same house.

Their Picture

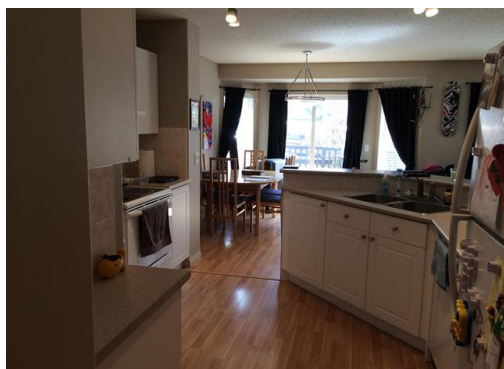

Our Picture

- ✓ Our pictures are brighter.
- ✓ Our pictures showcase actual room size.
- ✓ Our pictures are sharper images and true to colour.

Their Picture

Our Picture

- ✓ Clear counters of small appliances and other items.
- ✓ Remove hanging towels.
- ✓ Fridge should be clear of magnets, papers & pictures.

Their Picture

Our Picture

- ✓ Open window treatments to allow for natural light.
- ✓ Turn lights on to brighten your space.
- ✓ Move furniture to showcase the size of the room.
